

# Setting up your JustGiving page

Setting up a JustGiving page is one of the quickest and easiest ways to collect sponsorship. Follow our simple step by step guide to set up yours.

- 1 Visit [www.justgiving.com](http://www.justgiving.com)
- 2 Click [sign up](#) and fill in your basic details
- 3 You will then be brought to your account page - click the menu, 'start fundraising' and yes to continue
- 4 Fill in the details needed to complete your profile
- 5 Search for 'Leeds Cares' and select us as the charity you're supporting
- 6 Select what type of fundraising applies to you
- 7 Fill in the details about your event and create your personal fundraising page
- 8 Click 'edit your page' to make it personal to you - follow our guide opposite to make the most of your fundraising page!

For further advice on what to include on your page, please contact the fundraising team.

Pages with photos are more personal - pick a good one!

Your summary is the first thing people read - make a good first impression!

Tell your story and explain why your cause is important to you

Spread the word on social media!

Regular updates give supporters a reason to come back and donate again!

The screenshot shows a JustGiving fundraising page for 'On Yer Bike India!'. The page features a profile picture of a child on a bicycle, a progress bar showing 280% raised of a £700.00 target, and a list of supporters. Callouts highlight key features: a photo, a compelling summary, a personal story, social media sharing options, and regular updates.

Let everyone know what you're aiming for!

We updated India on her fundraising along the way and found she'd hit her target just as we approached the finish. One tired and contented little cyclist. Thanks everyone for your generous support: Xxx
