Teaching Hospitals
NHS Trust

Can you design the winning logo to represent the Leeds Children's Transplant Team?

Ahead of the 2021 British Transplant Games coming to Leeds next August, we need your creativity to design a new symbol or drawing that will feature in your team logo.

The winning logo will be used on the new Leeds Children's Transplant Team kit, parade flags and banners!

Your design needs to represent the different kinds of transplants the team has received e.g. Liver, Kidney or Bone Marrow. The logo will be printed onto a purple kit, so remember this when colouring in to make sure it stands out!

Use the template on the reverse to get started - **email your entry to hello@leeds-cares.org by 31st July.**

The winner will also receive a £30 gift voucher!
